As part of this initiative, **Ms. Gauri Chafekar** has been appointed as the **Student Counsellor**. The counselling facility is intended to provide students with a supportive and confidential environment where they can discuss their concerns and seek appropriate guidance.

All Mentors are requested to **actively identify mentees who may require counselling or additional support and direct them to utilize the services of the counsellor**. Mentors are also requested to make their mentees aware of this facility and encourage them to seek timely guidance rather than allowing their concerns to affect their academic progress.
