

## **Vision of the TSDC**

ZSCT's Thakur Shyamnarayan Degree College, Kandivali (East), Mumbai follows the practice of decentralisation in its true sense, in all the three important pillars of the institution, viz. academics, administration and extra-curricular activities. TSDC work towards the designing and implementation of the institutional quality policy. The various administrative and academic departments and mandatory bodies such as IQAC, CDC, etc. having well-defined roles and principles keeping in sync with the vision and mission of the College.

- **Knowledge and wisdom to the young and give prudence to the simple**

Facilitating learner centric multidisciplinary course curriculum, pedagogy and resources through technology enabled a joyful and diverse learning environment

- **Build the minds of tomorrow's leaders**

Providing demand driven educational programs for enhancing skills and employability. Certificate courses were held on Skill development. Emphasizing value guided competencies among learners for developing socially responsible professionals and leaders.

- **Benchmark career goals offering academic excellence**

The Institution is ISO 9001:2015 and has green campus certification. The Institute is a pioneer to introduce value addition programs which are conducted through various MoUs signed with organizations/industries. For addressing needs of the society and the students, the faculty is sponsored to visit industries and research centres to update themselves on these issues.

- **Furnish skills at our best.**

Effective Use of ICT in Teaching and Learning: All classrooms and labs are fully equipped with ICT facilities, offer dedicated certificate add-on courses.

- **Follow the global trend, not forgetting the local relevance.**

Promotes the culture of research amongst students by organizing Research. Adapting environment friendly and energy efficient best practices for sustainable development. Addressing issues and priorities for empowering the local community with a global perspective. 5 International conferences organized by departments on different topics. The Research and Development activities of HEI are true to follow the global trends with local relevance.
